## Devoe Takes Least Gallons

## Always

Point Devoe: it's the cheapest paint in the world; never mind the price; it may not be more. Less gallons will paint the house; and the paint will outwear anything.

Skip wear; you've got to wait, to find that out. It covers more; you haven't got to wait to find that out.

It's the cheapest of all; no matter about the price.

Mr. Frank A. Morse, West Rutland, Vt., says: "An old painter, who had painted my house lead and oil a good many times, said 12 to 15 gallons Devoe." I got 15; he got 12 with 15 lbs. of oil.

Mr. William Maughan, Central Rutland, Vt., bought 9; had 3 left.

That's how.
